Price & booking conditions

CNY 18,500 / person

All tour quotations use Chinese yuan (CNY) as the fixed base. Season, party size, rooming, guide language and confirmed services determine the final written quote. Foreign-currency equivalents are dated references, not settlement rates.

We cross-check public operator references for comparable trips. Headline group prices are often based on three-star hotels, low season and exclusions; they do not establish the price of a private six-person programme.

Scope to confirm in the written quote

Agree airport/station transfers, licensed local transport, guide language, hotel list, daily meals, admissions and permit handling individually. Only services expressly included in your signed itinerary and quote are included; hotel stars do not imply heating or oxygen.

Normally quoted separately

International and domestic flights, train fares, visas, insurance, single-room supplements, unlisted meals, personal spending, voluntary tips, porters/pack animals and evacuation costs unless expressly included.

Hotel names and room facilities require written confirmation. Remote and trekking nights may be basic; use the daily overnight notes rather than assuming a city standard throughout.

Prepare for your journey

Travel at a gentle pace and allow acclimatisation. Seek medical advice before high-altitude travel; persistent or worsening symptoms require prompt medical assessment and no further ascent. Roads, weather, reservations and access rules may change the order or feasibility of visits. Religious ceremonies, clear mountain views and seasonal flowers cannot be guaranteed.

Foreign passport holders and Taiwan travellers need an approved, agency-arranged Tibet itinerary. Submit complete documents at least 20 working days ahead; allow at least one month for Ngari/Kailash and more buffer when needed. Our preparation policy is to carry the permit original and valid original travel ID for both flight and train boarding; reconfirm carrier requirements before departure.

Private-group departure supplement

A supplement applies when travelling as a private party of family or friends, without sharing the group with other travellers. It is calculated separately according to party size, departure date, dedicated transport, guide, accommodation and agreed services, and is confirmed in the written quotation before booking. Automatic page estimates do not include this supplement. If the formal quote already covers a private departure, the included supplement will be identified and the same item will not be charged twice.
