Journey highlights

Link Kham towns, valleys and Nyingchi on the southern Sichuan–Tibet road, allowing for consecutive mountain drives.

Journey outline

Day 1 · Arrive in Chengdu, settle in and review documents, luggage and the road plan.

Day 2 · Drive via the Ya’an corridor to Kangding, with regular breaks and a short walk on arrival.

Day 3 · Cross the Zheduo road pass towards Xinduqiao, keeping high stops brief and avoiding exertion.

Day 4 · Allow an adjustment and photography day; visit accessible Tagong areas only if well, with a hotel-rest option.

Day 5 · Travel via Litang to Batang, keeping the higher Litang stop brief and sightseeing gentle.

Day 6 · Enter Tibet towards Mangkang via the Jinsha corridor, presenting documents for your approved route and traveller status.

Day 7 · Continue to Zogang on winding mountain roads, choosing safe rest stops and limiting extra activities.

Day 8 · Drive via Bangda and the Nujiang road bends to Baxoi; avoid stopping on unsafe shoulders for photographs.

Day 9 · Reach open Ranwu Lake viewpoints and adapt lakeshore walks to weather, ground and energy levels.

Day 10 · Follow the Parlung Tsangpo valley towards Bomi, enjoying forest landscapes without entering closed trails or glaciers.

Day 11 · Keep a Bomi buffer day with accessible village or forest walks; blossoms are not promised outside their season.

Day 12 · Continue via Tongmai, Lulang and the Sejila road pass to Nyingchi; mountain visibility depends on weather.

Day 13 · Rest in Nyingchi with gentle Niyang Valley visits; choose a monastery or town stop according to energy.

Day 14 · Travel to Lhasa; Basum Tso may be added if opening and road time allow, without forcing every stop into the day.

Day 15 · Arrange the Potala, Jokhang or Barkhor around reservations and adjust walking to your condition.

Day 16 · Finish with a Lhasa transfer; Tsang or Everest extensions require extra days and approvals.

Private-group departure supplement

A supplement applies when travelling as a private party of family or friends, without sharing the group with other travellers. It is calculated separately according to party size, departure date, dedicated transport, guide, accommodation and agreed services, and is confirmed in the written quotation before booking. Automatic page estimates do not include this supplement. If the formal quote already covers a private departure, the included supplement will be identified and the same item will not be charged twice.
